

1.Home Page <https://mostbetbd.com/>

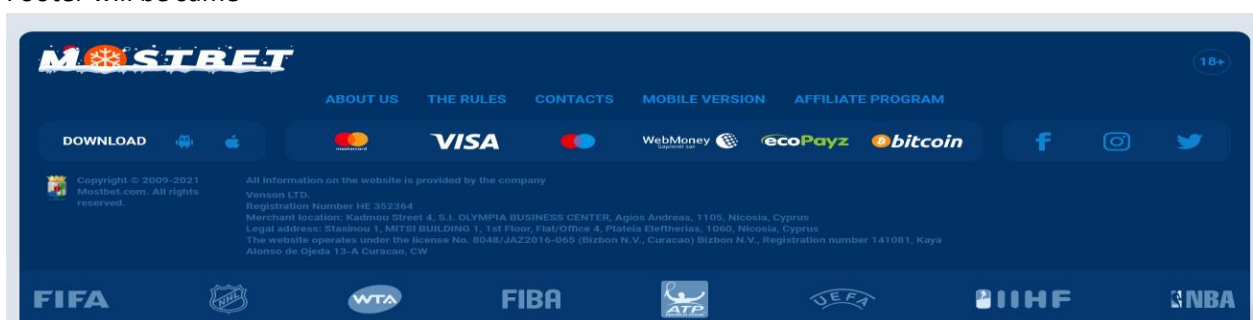

- 1) Make the tab like this. Make sure it works fine. There are plenty of sports list..but I need > Cricket, Football, Tennis, Basketball, Hockey, Volleyball, Boxing <. On the left sidebar the list will be same with these sports type.
- 2) This right sidebar is very important so make you sure you make it look like this.

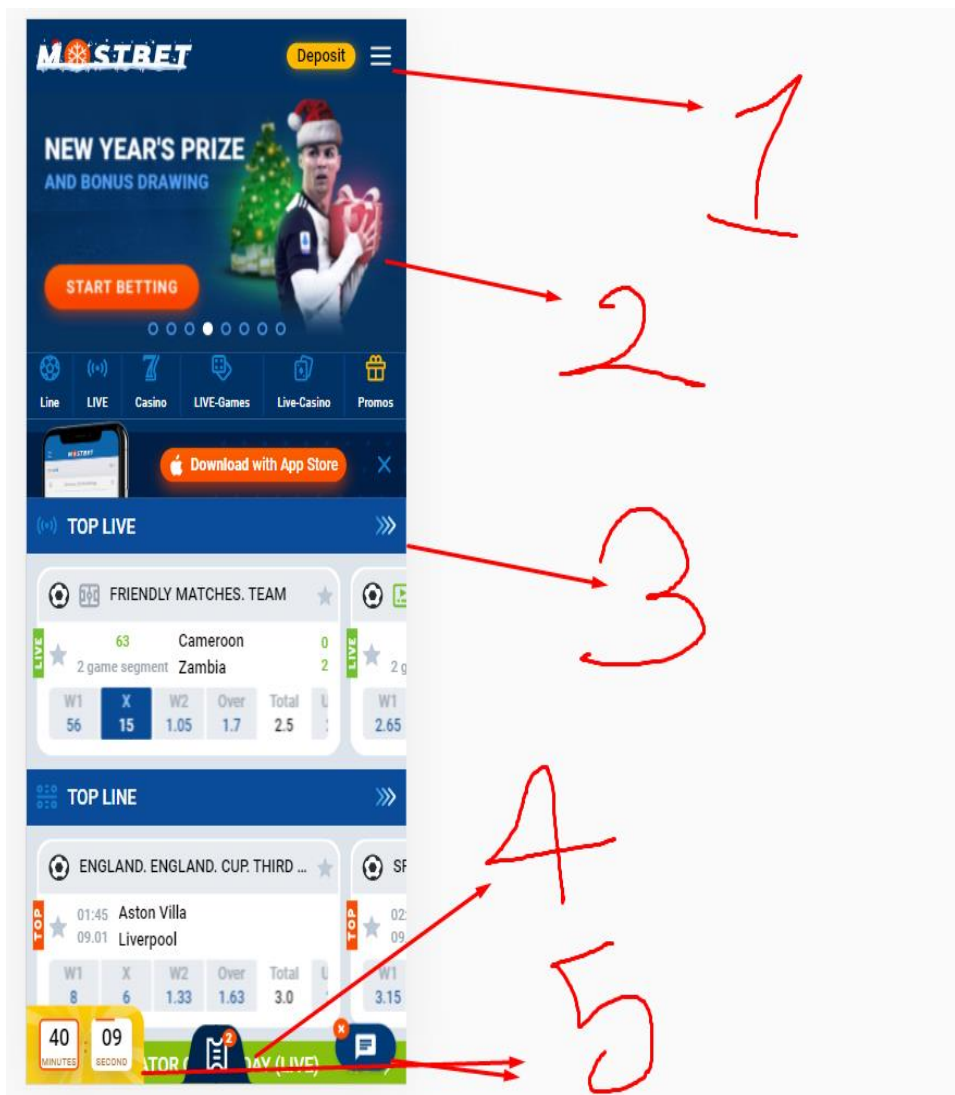

I don't need the below section including right sidebar name "Casino",

Footer will be same

Now check the mobile view. **You need to click the “MOBILE VERSION” link on the footer.**

1. Make sure you make the sidebar same for mobile version
2. Make the slider
3. I need this same .
4. Click this and you will see a popup something (below pic 6) ..make sure you make it like this
5. Don't need this point

There are Registration/Login Popup as well. So make sure you make them responsive too.

So first make sure you can make it responsive just like the way it looks on cross platforms.

2. Second Page

<https://mostbetbd.com/line/5983987/>

Just like the Home Page ..you will use the HEADER,FOOTER,SIDEBAR (left+right) here.

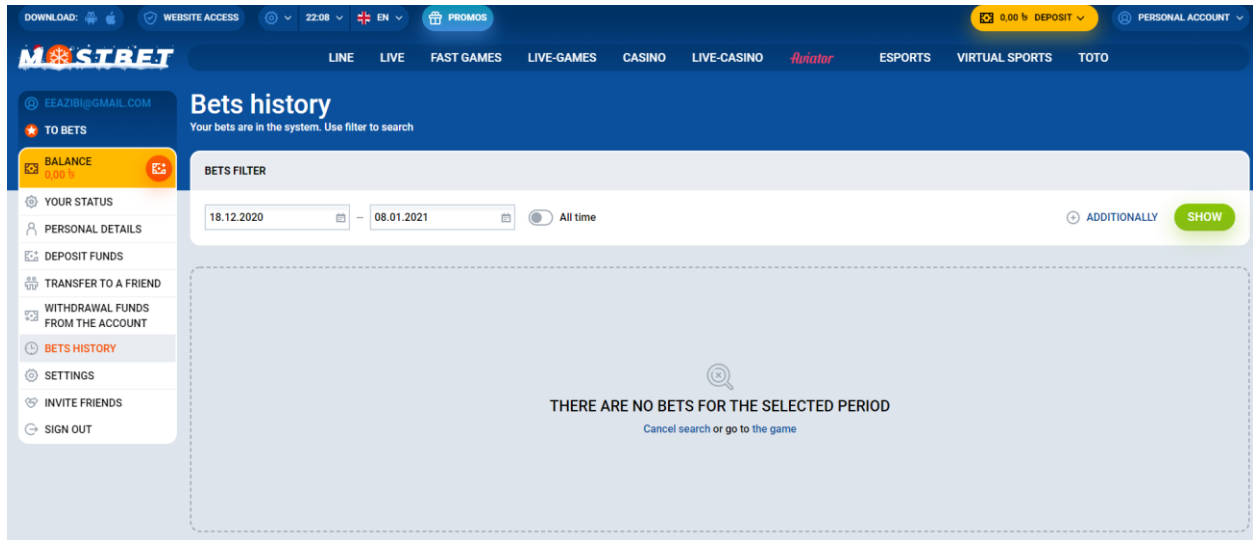

The screenshot displays the Mostbet website interface for a live match between Celta Vigo and Villarreal. The top header includes navigation links like 'LINE', 'LIVE', 'FAST GAMES', 'LIVE-GAMES', 'CASINO', 'LIVE-CASINO', 'Aviator', 'ESPORTS', 'VIRTUAL SPORTS', and 'TOTO'. A sidebar on the left lists various sports categories. The main content area shows the match details, including the score (0-0) and time (01:00:57). Below this, there are sections for 'ALL MARKETS', 'POPULAR', 'TOTAL', 'HANDICAP', '1ST HALF', 'CORNERS', and '1ST HALF - CORNERS'. The 'HANDICAP' section is expanded, showing various betting options with odds. On the right, there is a 'BET SLIP' section with a 'ONE-CLICK BET' button and a 'PLACE A BET' button.

You will make the middle part additionally for this page. For mobile version please check it.

The screenshot displays the Mostbet mobile app interface for a live match between Dynamo Riga and Dynamo Minsk. The top header includes navigation links like 'Line', 'LIVE', 'Casino', 'LIVE-Games', 'Live-Casino', and 'Promos'. The main content area shows the match details, including the score (1:5) and time (3 period 40:00). Below this, there are sections for 'BROADCAST', 'STATISTICS', 'GRAPHICS', and 'MATCH'. The 'ALL MARKETS' section is expanded, showing various betting options with odds. The 'HANDICAP' section is expanded, showing various betting options with odds. The 'TOTAL' section is also expanded, showing various betting options with odds.

3. Third Page

<https://mostbetbd.com/profile/history>

This is the third page. You need to login in order to see.

Check the screenshot its same HEADER FOOTER.. but here you need to make another left sidebar and a content section like this.

Check the mobile version as well.

4. Forth Page <https://mostbetbd.com/contacts>

Same header footer.

Just make the middle section **Contact Us** part.
